Les Cigales

IGP Pays d'Hérault

70% Syrah
15% Merlot
15% Marselan

13% Vol.

Tasting

The Grenache grape, aromatic and warm, fits well to Shiraz in a blend similar to Cotes du Rhone wines, but with a fresh and light aspect typical of soils with marine influences.

Vinification

After the mechanical harvest on optimally ripe grapes, the destemming process is done before the controlled fermentation between 28 and 30°C in tanks. The bottling of the cuvée Cigales Rouge is done with no prior filtration in order to obtain a better preservation of its aromas and gustatory quality

Food and Wine

This is the perfect wine for simple meals with friends: it accompanies poultry as well as charcuterie and can even be enjoyed slightly cold in the summer.
